- This document does not constitute as a formal quote and services cannot be ordered by accepting this quote.
- An evaluation of customer network is required in order to determine the feasibility of the proposed solution.
- Pricing provided is for budgetary purposes only. Final pricing will be provided in a formal proposal and is subject to change.
- Prices exclude VAT unless otherwise indicated.
- Pricing may vary based on the exchange rate fluctuations.
- All solution elements are dependent on availability in the area.
- Vodacom retains the right to provision any access medium suitable to the SLA selected by the Customer. In cases where Vodacom provides the Satellite, Fibre and Microwave access, pricing is subject to feasibility study and site survey which could result in additional costs to install. Should the feasibility and site survey results be deemed commercially unviable to proceed, both parties are entitled to cancel the service request/order.
- The current standard terms and conditions pertaining to the services provided by Vodacom apply.
